# An HSA Made for Investors

with **Charles Schwab**

We've partnered with Charles Schwab since 2018. This partnership enhances the experience for savvy investors while still offering easy-to-use tools and support for those participants new to the power of the HSA. With this integration:

Employees will have a consistent experience whether online or on mobile, including complete HSA investment management.

Investors have access to more than 8,500 mutual funds and other investment options beyond our standard lineup.

Employers have the ability to match their HSA investment options with their 401(k).

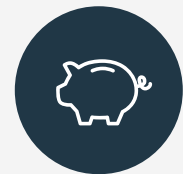

Clients enjoy additional savings through preferred partnership pricing.
