How to enroll

[When you can enroll »](#)

[Enroll at work or from home »](#)

[When coverage begins »](#)

[Enrollment resources »](#)

[How to enroll dependents »](#)

When you can enroll

During Open Enrollment

Open Enrollment, held in November each year, is your once-a-year opportunity to review and choose your benefits that will **become effective January 1 of the upcoming plan year.**

During Open Enrollment, you can enroll, add dependents not previously covered, disenroll dependents or cancel coverage.

Once you enroll, you may not cancel or change your elections until the next benefits open enrollment period unless you experience a qualifying life event.

As a new team member

You have **31 days** to enroll in **Infor** and submit required documentation if you are enrolling dependents in medical coverage.

If you do not actively enroll in benefits, the following default package will be assigned:

- Basic life insurance (company-paid)
- Long-term disability insurance (company-paid)
- Short-term disability insurance — 30-day elimination period (voluntary, team member-paid)

In addition, all other benefit elections will default to “waive.” Therefore, if you intend to have medical coverage with Novant Health, you must take action and actively elect a medical plan. Failure to elect a medical plan will result in you not having medical coverage with Novant Health.

As a current team member who experiences a qualifying life event

You may change your benefit elections during the year if you have a qualifying life event.

Examples of qualifying life events include a change in marital status or a change in the number of eligible dependents for reasons such as birth or adoption.

If you experience a qualifying life event, your benefit changes must be made in **Infor** within **31 days** of the date of the event. You must also upload documentation verifying your life event.

Any change request you make in benefits coverage must be consistent with your qualifying life event.

Benefit changes are effective on the date of the qualifying life event change.

If you have questions or require assistance, please call **800-890-5420** or submit an inquiry via ServiceNow.

Enroll at work or from home

If completing your enrollment on a work computer

1. From the I-Connect homepage, select **Tools and Services > Team member services > Infor HR & Workforce Management (WFM)**.

If completing your enrollment on a personal computer

1. Go to NovantHealth.org/Team-Members.
2. Select the **Infor** link.

Note: If accessing outside of the Novant Health network, you will need to use Microsoft Authenticator to authenticate. Call the IT Service Desk at **866-966-8268** for questions or additional support with Microsoft Authenticator.

When coverage begins

New hire

If the team member is a new hire, flexible benefits begin on the date of hire.

Employment status change or physician practice affiliation

If a team member has an employment status change, their benefits take effect on the date of their employment status change. If a new team member joins Novant Health through a physician practice affiliation, their benefits take effect on the date of the practice affiliation.

Enrollment resources

Visit our benefits website at benefits.NovantHealth.org.

This online experience includes medical plan comparison tools, plan summaries and much more.

If you need technical assistance accessing Infor HR, please call the IT service desk at **866-966-8268**.

How to enroll dependents

Please be prepared with information for yourself, your dependents and your life insurance beneficiaries, including full names, dates of birth and Social Security numbers.

Note: If you will be enrolling dependents in a Novant Health medical plan, you must provide the documentation noted below:

Spouse

1. Copy of marriage certificate and proof of joint debt/ownership. The proof of joint debt/ownership must show both the team member and spouse's names and be dated within the past 90 days.
2. Spouse mandate for medical coverage (submit one of the following):
 - Copy of current proof of receipt of unemployment benefits
 - A letter from your spouse's employer validating they are not eligible for medical coverage through their employer
 - 2024 or 2025 federal income tax return that verifies spouse is self-employed, retired, disabled or unemployed

Children (up to age 26)

Copy of front page of current federal income tax return that includes the child(ren) being enrolled (you may remove all financial information and all but the last four digits of the Social Security number)

If the child(ren) is/are not listed on your tax return, you must provide a copy of the birth certificate(s) showing the team member's name.

Spouse mandate for medical coverage

If your spouse is employed and eligible for employer-sponsored group medical coverage, they cannot be enrolled in a Novant Health medical plan; however, if your spouse is self-employed, unemployed, retired, disabled or their employer does not offer group medical coverage to its employees, your spouse may be eligible for medical coverage with Novant Health.

Satisfactory documentation that verifies a spouse is not eligible for group medical coverage somewhere else is required before a spouse is enrolled in Novant Health medical coverage. **The spouse mandate requirement only applies to medical coverage.** A spouse can be enrolled in dental, vision and life insurance regardless of eligibility for these plans somewhere else.

Medical benefits

You can choose from four medical plan options:

- Novant Health Premier Plan
- Blue Standard Plan
- Blue Premium Plan
- Blue High Deductible Health Plan with Health Savings Account (Blue HDHP with HSA)

All four plans include prescription drug coverage through Capital Rx and have out-of-pocket maximums that place a cap on what you pay for covered services in a plan year.

On the next several pages you will find an overview of each of your medical plan options, including details on covered services, costs for care and per paycheck premiums.

Novant Health Premier Plan

The Novant Health Premier Plan has the lowest premiums, deductibles, copays and coinsurance for services received within the Novant Health Plus Network. When team members prioritize seeking care from Novant Health providers and facilities they benefit from lower Tier 1 costs.

Blue Standard Plan

The Blue Standard Plan has higher deductibles, copays, out-of-pocket maximums and premiums than the Novant Health Premier Plan. Team members have access to care in the Enhanced Network, Preferred Network and Non-preferred Network. Team members who participate in well-being activities are eligible to earn incentives from Novant Health as contributions to the plan's Health Reimbursement Account (HRA). See Well-being programs on [page 30](#) for more information on HRA contributions.

Blue Premium Plan

The Blue Premium Plan offers higher premiums in exchange for lower deductibles, copays and coinsurance. Plan participants in certain coverage tiers receive an initial deposit from Novant Health to the Health Reimbursement Account (HRA). They are also eligible for additional contributions from Novant Health for participating in the well-being program. See Well-being programs on [page 30](#) for more information on HRA contributions.

Blue High Deductible Health Plan with Health Savings Account

The Blue High Deductible Health Plan has the highest deductible but includes a Health Savings Account (HSA) to help you set aside pre-tax funds to cover your medical expenses. This plan does not have copays. You pay 100% of your medical expenses until you meet your deductible. Then your coinsurance begins to cover a percentage of your costs. You continue to pay a percentage of your costs until you have reached your annual out-of-pocket limit. Novant Health contributes \$750/individual and \$1,500/family to your HSA annually.*

* Contributions are prorated for new hires.

Terms to understand

Premium — the amount you pay per paycheck for benefits coverage.

Deductible — the amount of your covered medical expenses you must pay up front, out of your own pocket, before your medical plan starts paying a percentage of your expenses.

Coinsurance — the percentage you pay for your covered expenses after you meet your deductible. The plan pays the remaining percentage.

Copay — a fixed dollar amount you pay for services such as doctor or specialist visits — instead of a deductible or coinsurance percentage.

Out-of-pocket maximum — the most you pay for covered expenses in a plan year. This generally includes your deductible, coinsurance and copays combined. If you reach the out-of-pocket maximum, the plan pays 100% of the cost of your covered expenses for the remainder of the year. Each plan provides this protective limit for any one individual's expenses, as well as for a family's total expenses.

Health Reimbursement Account (HRA) — an employer-funded account that helps offset out-of-pocket costs. Funds are automatically applied when claims are processed and are distributed as reimbursements for copays.

Health Savings Account (HSA) — a tax-free savings account for team members enrolled in a high-deductible health plan, funded by you and Novant Health, to pay for eligible medical expenses. Contributions, earnings and withdrawals for healthcare costs are all tax-free.

Networks or Tiers — each provider falls under a category or “tier.” The tier determines how much you pay and how much the plan pays for the service you receive.

Novant Health Premier Plan

The Novant Health Premier Plan prioritizes care within the Novant Health Plus Network to provide excellent care and the lowest deductibles, out-of-pocket maximums and premiums of all our plans.

The plan provides three tiers of coverage. It's important to understand how each of them works.

Novant Health Plus Network

Known as Tier 1 or Novant Health Plus Network. It includes Novant Health providers, clinics and facilities, plus select independent providers and Non-Novant Health providers in the Blue Options® PPO network. **This network is not the same as the Enhanced Network in the other medical plans.**

Alternative Network

Known as Tier 2 or Alternative Network. This is the Blue Options PPO network (not included in the Novant Health Plus Network). If you choose to utilize this network, there is a higher member cost. Care and services received under this tier are still in-network.

Out-of-Network

Known as Tier 3 and is the highest cost tier.

Note: Novant Health completes network reviews on a regular basis. Team members are encouraged to confirm their provider and/or facility's current tier of coverage prior to seeking care.

What happens if...

I am on vacation in another state and I think I have the flu.

Novant Health team members should contact their PCP office to determine next steps. If the team member is unable to contact their PCP or cannot be seen via a virtual health platform, the team member should consider utilizing a **convenience care clinic** or **urgent care**, both of which would be subject to Tier 2 deductible and coinsurance.

If experiencing a medical emergency, you are strongly encouraged to go to the closest emergency room.

Keep in mind that any claims incurred outside of the Novant Health Plus Network will be subject to the Alternative Network (Tier 2) or Out-of-Network (Tier 3) benefit level. In the case of true emergencies, emergency room provider fees will be covered at the Novant Health Plus Network benefit level regardless of the facility that you use. Other fees, including facility fees, associated with that emergency room visit will be subject to the Alternative Network (Tier 2) or Out-of-Network (Tier 3) benefit level.

I have chest pains when visiting family in California.

Seek immediate care at the closest emergency room. For true emergencies, the Novant Health Premier Plan will cover the cost at the Novant Health Plus Network benefit after you pay your deductible and coinsurance, regardless of the facility that you use.

My daughter is living in Cullowhee, North Carolina, while she attends Western Carolina University and she needs to see a provider.

There are no Novant Health providers in her area. If you enroll in this plan, your daughter will need to wait until she is in the Novant Health service area to get the preferred Tier 1 benefit. If she chooses a provider in the Alternative Network or Out-of-Network, there will be higher out-of-pocket costs.

I enroll in the Novant Health Premier Plan and change my mind later.

Your benefits will remain in effect until December 31, 2026 unless you experience an IRS qualifying life event. In this instance, you have 31 days from the date of the event to submit a life event in Infor to update your benefit elections. The change you are eligible to make must be consistent with the event that you have experienced.

Novant Health Premier Plan coverage summary

Important notes about medical plan coverage

- **Deductibles:** Copays do not apply to the deductible. Your out-of-pocket expenses cross-accumulate, which means that money you pay toward your deductible in one tier also counts toward the deductible for other tiers.
- **Out-of-pocket maximums:** Your out-of-pocket maximum includes your deductible, coinsurance and copays. All out-of-pocket tiers cross-accumulate. Medical and pharmacy have separate out-of-pocket maximum limits.
- In-network and out-of-network coinsurance amounts are after the calendar year deductible, except where noted.

	Novant Health Plus Network (Tier 1)	Alternative Network (Tier 2)	Out-of-Network (Tier 3)
DEDUCTIBLE			
Employee Only	\$700	\$3,200	\$7,000

Blue Standard Plan coverage summary

The Blue Standard Plan offers varying degrees of coverage and cost to you. There are four tiers, or networks, of coverage. Network access and plan designs differ slightly for out-of-area team members. View the Blue Standard Plan features for out-of-area team members [here »](#).

Enhanced Network

Known as Tier 1 or Novant Health Network. Includes all Novant Health facilities, clinics and providers. Also includes some independent providers in our communities.

Preferred Network

Known as Tier 2 or Blue Options PPO network. This is the default in-network tier.

Non-Preferred Network

Known as Tier 3. Applies to facility charges at local non-domestic facilities.

Out-of-Network

Known as Tier 4 and is the highest cost tier.

Note: Novant Health completes network reviews on a regular basis. Team members are encouraged to confirm their provider and/or facility's current tier of coverage prior to seeking care.

Important notes about medical plan coverage

- **Deductibles:** Copays do not apply to the deductible. Your out-of-pocket expenses cross-accumulate, which means that money you pay toward your deductible in one tier also counts toward the deductible for other tiers.
- **Out-of-pocket maximums:** Your out-of-pocket maximum includes your deductible, coinsurance and copays. All out-of-pocket tiers cross-accumulate. Medical and pharmacy have separate out-of-pocket maximum limits.
- In-network and out-of-network coinsurance amounts are after the calendar year deductible, except where noted.
- Not all hospital-based providers at Novant Health facilities are in the Enhanced Network (Tier 1), so you will receive the Blue Options PPO network (Tier 2) benefit if the hospital-based provider is not in the Enhanced Network. Novant Health is seeking to expand the number of hospital-based providers in the Novant Health Network.

* Enhanced Network tier applies when durable medical equipment and home healthcare services are obtained through Blue Options PPO network.

Note: For more information on these and other services and costs, visit the [Benefits page](#) of I-Connect.

Health Reimbursement Account (HRA)

Team members who participate in well-being activities are eligible to earn incentives from Novant Health as contributions to the Novant Health Premier Plan, Blue Standard or Premium Plan Health Reimbursement Account (HRA). Any fixed funds awarded in 2026 that are not used by the end of the year will not roll over. Any funds earned or prefunded prior to Jan. 1, 2026 will roll over. See Well-being programs on [page 30](#) for more information on HRA contributions.

October 1 — December 31	\$0	\$93.75	\$112.50	\$187.50

Blue High Deductible Health Plan

This health plan has the highest deductible but qualifies for a Health Savings Account (HSA). Team members will receive preventive care at no cost; however, you will pay for medical claims up to the deductible before the plan coinsurance will apply.

Novant Health will contribute a total of \$750 per individual or \$1,500 per family to your HSA annually. Contributions are made in lump sum (\$250 per individual, \$500 per family) and per paycheck installments (\$19.23 per individual, \$38.46 for family).*

In addition to the HSA funding provided by Novant Health, team members can set aside pre-tax dollars to save for when you incur claims in the future. An HSA is a tax-free account that you can use to pay for current and future medical expenses (even medical expenses during retirement). Money in your HSA rolls over year to year and the account is always yours — even if you change employers.

Federal tax regulations restrict the amount contributed to an HSA. In 2026, contributions are limited to:

- Employee Only Health Coverage: \$4,400**
- Employee with any Dependent Health Coverage: \$8,750**
- Catch-up provision for those 55 & up: \$1,000

* HSA paycheck contributions are pro-rated for new hires.

** 2026 IRS limits include Novant Health and team member contributions.

Enhanced Network

Known as Tier 1 or Novant Health Network. Includes all Novant Health facilities, clinics and providers. Also includes some independent providers in our communities.

Preferred Network

Known as Tier 2 or Blue Options PPO network. This is the default in-network tier.

Non-Preferred Network

Known as Tier 3. Applies to facility charges at local non-domestic facilities.

Out-of-Network

Known as Tier 4 and is the highest cost tier.

Note: Novant Health completes network reviews on a regular basis. Team members are encouraged to confirm their provider and/or facility's current tier of coverage prior to seeking care.

HSAs offer a unique triple-tax advantage

- 1. Contributions are tax-deductible:** The money you put into an HSA reduces your taxable income for the year.
- 2. Earnings grow tax-free:** Any interest or investment gains in the account are not subject to taxes.
- 3. Withdrawals for qualified medical expenses are tax-free:** When you use HSA funds for eligible healthcare costs, you don't pay taxes on those withdrawals.

This combination makes HSAs a powerful tool for saving on healthcare expenses — and the money that you and Novant Health contribute to your account is yours to keep forever.

Note: IRS regulations dictate that if you enroll in the Blue High Deductible Health Plan with a Health Savings Account, any existing HRA balances will be forfeited on the effective date of coverage in the Blue High Deductible Health Plan.

Blue High Deductible Health Plan coverage summary

Important notes about medical plan coverage

- **Deductibles:** Copays do not apply to the deductible. Your out-of-pocket expenses cross-accumulate, which means that money you pay toward your deductible in one tier also counts toward the deductible for other tiers.
- **Out-of-pocket maximums:** Your out-of-pocket maximum includes your deductible, coinsurance and copays. All out-of-pocket tiers cross-accumulate. Medical and pharmacy have separate out-of-pocket maximum limits.
- In-network and out-of-network coinsurance amounts are after the calendar year deductible, except where noted.
- Not all hospital-based providers at Novant Health facilities are in the Enhanced Network (Tier 1), so you will receive the Blue Options PPO network (Tier 2) benefit if the hospital-based provider is not in the Enhanced Network. Novant Health is seeking to expand the number of hospital-based providers in the Novant Health Network.

Employee/Family	\$1,252.57	\$1,056.71	\$195.86

Note: Payroll premiums are made on a bi-weekly basis. They are made pre-tax which lowers the amount of taxes you pay.

Tobacco-user surcharge

In addition to the premiums in the chart, **tobacco users who have used any form of tobacco products (e.g., cigarettes, smokeless tobacco products, vapes, etc.) within the previous 30 days will pay \$45 more per pay period for medical coverage.**

If you or a covered spouse are currently a tobacco user, you can still avoid the tobacco-user surcharge by submitting approved documentation confirming that you have successfully stopped using tobacco.

Medical Plan premiums (continued)

A TEAM MEMBER PAYS PART-TIME BENEFIT PREMIUM COSTS IF THEY ARE CLASSIFIED AS WORKING 24 TO 29 HOURS PER WEEK IN INFOR (.6 FTE TO .725 FTE).

COVERAGE LEVEL	TOTAL COST	LESS NOVANT HEALTH CONTRIBUTION	TEAM MEMBER COST

Employee Only	\$407.64	\$291.53	\$116.11
Employee/Child(ren)	\$849.18	\$579.99	\$269.19
Employee/Spouse	\$905.73	\$580.60	\$325.13
Employee/Family	\$1,252.57	\$814.61	\$437.96

Note: Payroll premiums are made on a bi-weekly basis. They are made pre-tax which lowers the amount of taxes you pay.

Tobacco-user surcharge

In addition to the premiums in the chart, **tobacco users who have used any form of tobacco products (e.g., cigarettes, smokeless tobacco products, vapes, etc.) within the previous 30 days will pay \$45 more per pay period for medical coverage.**

If you or a covered spouse are currently a tobacco user, you can still avoid the tobacco-user surcharge by submitting approved documentation confirming that you have successfully stopped using tobacco.

Tobacco-user surcharge

Definition of tobacco-free

Tobacco-free is defined as a team member or spouse who has not used any form of tobacco products within 30 days prior to their benefits election date.

Tobacco products are defined as any tobacco-derived or tobacco-containing products, nicotine-based products (such as synthetic nicotine), and/or plant-based products including, but not limited to cigarettes, cigars, pipe tobacco, snuff, chewing tobacco, other smokeless products, vape products, electronic cigarettes and other nicotine delivery systems (ENDS).

Nicotine replacement therapies are not considered tobacco products.

Consequences of misrepresentation

You must truthfully and accurately disclose your own tobacco use and, if applicable, your spouse's tobacco use. Falsifying a tobacco designation or completion of a RAS is considered fraud by Novant Health and may result in disciplinary action, up to and including termination of employment.

Steps for tobacco users to take to avoid the tobacco-user surcharge

Novant Health offers team members and/or their covered spouses an annual opportunity to remove the tobacco-user surcharge by completing the reasonable alternative standards (RAS) outlined below.

If you and/or your covered spouse want to avoid the tobacco-user surcharge:

- Confirm during the enrollment process that you have been tobacco-free for 30 days prior to your benefits election date.

OR, if you and/or your covered spouse are tobacco users and wish to avoid the tobacco-user surcharge, you must complete one of the following RAS, by Oct. 31, 2026:

- Enroll in and complete the **Quitting Tobacco** video course in the Novant Health well-being portal.*

OR

- Obtain documentation from your primary care provider (PCP) stating you have completed a cessation program directed by them.

Once you have completed one of the RAS listed above, submit a screenshot verifying completion of the **Quitting Tobacco** video course or documentation from your PCP to the Human Resources Solution Center (HRSC) via a ServiceNow HR Inquiry. Under the Category, select Benefits, and use the field to add attachments. You will receive a ServiceNow notification once the RAS documentation has been appropriately validated.

If all covered tobacco users in your family successfully complete the RAS requirements, the tobacco-user surcharge will no longer be charged. You will be refunded the tobacco-user surcharges you paid. It may take up to three pay periods for the surcharge to be refunded.

If the RAS requirement is not completed by Oct. 31, 2026, the tobacco-user surcharge will remain in effect for the remainder of the year.

* Available starting January 1, 2026.

Pharmacy benefits

You automatically receive prescription drug benefits when you enroll in a Novant Health medical plan. However, each plan covers prescription drug benefits differently.

Prescription drug benefits are provided through Capital Rx. You can call Capital Rx toll-free at **866-622-2779** with any questions.

Some important notes about pharmacy benefits

- Generic drugs are mandatory unless a dispense-as-written (DAW) waiver has been prescribed by your doctor or provider. The difference between the cost of brand and generic is not covered under the copay or out-of-pocket limits.
- Tiers 4 through 6 are filled by the Novant Health Specialty Pharmacy. Call the Novant Health Specialty Pharmacy toll-free at **855-307-6868**.
- Team members have a choice in where prescriptions can be filled and **prescriptions filled at Novant Health or Walgreens retail pharmacies have more favorable copays.**
- The **Blue High Deductible Health Plan** has a combined medical and pharmacy out-of-pocket maximum per calendar year:
 - o \$6,000 — Employee Only
 - o \$12,000 — Family (\$6,000 out-of-pocket maximum for any one member)
- Team members enrolled in the Blue High Deductible Health Plan have access to no-cost preventive drugs.

Healthy Lifestyle Program

The Healthy Lifestyles Program is designed to connect members with smarter, guided chronic condition management and pharmacy care — bridging well-being, medication and improved health outcomes.

This program provides tools, educational resources, treatment options and cost-saving benefits to help you manage type 1 or type 2 diabetes mellitus and/or hypertension.

To participate, you must:

- Be enrolled in a Novant Health medical plan (team member subscribers and covered dependents)
- Have a diagnosis of type 1 or type 2 diabetes mellitus and/or hypertension
- Maintain an active Novant Health MyChart account

For more information, visit NovantHealth.org/Benefits.

Dental benefits

You can choose between two levels of dental coverage to best suit your needs. Both plans are administered by Cigna and cover preventive care at 100%. The Enhanced Plan covers orthodontia with a lifetime maximum of \$2,000. The Base Plan is a lower-cost alternative which offers similar coverage for general services with a lower annual maximum benefit and no orthodontia coverage. The Base Plan also enables you to increase your out-of-pocket maximum by \$100 per year, starting in 2027, if you or your family members receive any preventive care service in 2026 and remain enrolled in this plan for subsequent years.

Employee/Family	\$66.65	\$36.04	\$30.61

ENHANCED PLAN			
COVERAGE LEVEL	TOTAL COST	LESS NOVANT HEALTH CONTRIBUTION	TEAM MEMBER COST
Employee Only	\$23.79	\$12.20	\$11.59
Employee/Child(ren)	\$51.40	\$16.79	\$34.61
Employee/Spouse	\$49.41	\$15.64	\$33.77
Employee/Family	\$83.95	\$36.04	\$47.91

Vision benefits

The vision plan is administered by VSP and covers annual eye exams, lenses and frames or contact lenses in lieu of eyeglasses. Many in-network services are covered in full or require a copay, and a plan allowance is associated with many out-of-network services. Discounts are available on laser vision correction, additional glasses and sunglasses and lens enhancements.

VISION PAYROLL PREMIUMS	
COVERAGE LEVEL	TEAM MEMBER COST
Employee Only	\$5.17
Employee/Child(ren)	\$8.29
Employee/Spouse	\$8.11
Employee/Family	\$13.35

Flexible spending accounts

Flexible spending accounts (FSAs), administered by WEX, allow you to set aside pre-tax money to pay for eligible out-of-pocket healthcare or dependent care expenses. The healthcare FSA allows you to set aside up to \$3,300* for eligible expenses, and the dependent care FSA allows you to set aside up to \$7,500 (\$3,750 if married and filing separately) for child care or adult dependent care expenses. Be sure to calculate your expenses conservatively. FSA account balances do not carry over from year to year. Due to IRS regulations, any unused money in your account after the claim submission deadline at the end of the year will be forfeited.

* Please note that the 2026 limit for healthcare FSAs has not been set as of the date of this publication. The \$3,300 limit for eligible expenses reflects the 2025 limit. The dependent care FSA limit above is current for 2026.

Voluntary benefits

Accident insurance »

Critical illness insurance »

Hospital care plan »

Auto and home insurance »

Pet insurance »

Accident insurance

Accident insurance pays a benefit directly to you if you or an eligible dependent suffer a covered injury. This benefit can help cover out-of-pocket expenses related to these injuries, such as hospitalization, physical therapy, transportation and more. There are no health questions or physical exams required. Coverage is portable, and you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

The policy or its provisions may vary or be unavailable in some states.
The policy has exclusions and limitations that may affect any benefits payable.

Critical illness insurance

Critical illness insurance reduces the financial impact of a major illness, such as a heart attack, stroke or cancer. The policy pays a lump sum benefit directly to you once you or a covered family member is diagnosed with a covered condition. You choose the benefit amount when you enroll. Coverage is portable, and you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

The policy or its provisions may vary or be unavailable in some states.
The policy has exclusions and limitations that may affect any benefits payable.

Hospital care plan

Hospital care coverage provides a fixed benefit when a covered person incurs a hospital stay due to a covered injury or illness. You can use the money however you would like to help pay for expenses such as child care, travel or other out-of-pocket expenses. As with Accident and Critical illness coverage, this coverage is portable, meaning you can take your policy with you if you change jobs or retire. You pay the full cost of coverage through payroll deductions.

MetLife legal plan

Whether it's a planned event like buying a home or preparing a will, or an unexpected problem like a speeding ticket, most of us need legal counsel at some point, and quality legal assistance can be expensive. It can also be hard to know how to find an attorney you trust. With MetLife Legal Plans, you can have a team of top attorneys ready to help you take care of life's planned and unplanned legal events.

Auto and home insurance

Get the best for less with competitive rates on auto and home insurance for Novant Health team members. Side-by-side comparison quoting allows you to compare estimates from top-rated providers and select the one that's best for you. Insurance premiums can be paid directly through payroll deductions, eliminating the hassle of making monthly payments and making it easier to budget with consistent payments spaced evenly throughout the year. Learn more through the Novant Health Team Member Advantages program.

Pet insurance

Offset the cost of illnesses, injuries and routine wellness care for your furry family members with Nationwide pet insurance. Learn more through the Novant Health Team Member Advantage program.

Team Member Advantages

Discover a world of savings exclusively for Novant Health team members through the Team Member Advantages program.

Visit youdecide.com/Novant to start saving on auto and home insurance, pet insurance and more.

[Novant Health Retirement
Plus Plan >>](#)

Life insurance

Basic life

Novant Health provides 1.5x your base pay in basic life insurance, at no cost to you, up to a maximum coverage amount of \$1,000,000. Enrollment is automatic, but you should enter beneficiary information into Infor.

Supplemental life

You may choose to purchase supplemental life and accidental death and dismemberment (AD&D) insurance in addition to the company-paid life insurance benefit. Supplemental life insurance is guaranteed up to \$500,000 and can be purchased in the following increments up to the maximum amount of \$1,000,000 pending approval:

- 1x base pay
- 2x base pay
- 3x base pay
- 4x base pay
- 5x base pay

Dependent life insurance coverage options for your spouse and children are also available.

Accidental death and dismemberment coverage is available as employee-only or family coverage. Spouses over the age of 70 are not eligible for AD&D coverage. Coverage options range from \$25,000 to \$500,000.

Disability

Short-term disability

Novant Health offers short-term disability coverage, which pays a benefit of 60% of your base pay, up to \$2,500 per week.

While short-term disability coverage is voluntary, you will be defaulted to the plan that pays 60% of pay after 30 days. You can use your new hire life event to change to the 15-day plan or opt out of short-term disability coverage altogether. If you opt out or choose to elect coverage for the first time outside of your new hire period, you will be required to answer medical questions to demonstrate evidence of insurability and will be subject to denial or approval by the carrier.

Team members pay the full cost of short-term disability with after-tax dollars so that the benefit is received tax-free, should you need it.*

* Directors and above do not elect short-term disability.

Long-term disability

Novant Health provides long-term disability coverage at no cost to you. The plan pays a benefit of 60% of your base pay after a 90-day waiting period, with a maximum benefit of \$15,000 per month.

Executive Individual Disability Insurance (IDI)

The Novant Health Group Long-Term Disability (GLTD) plan limits income replacement at the time of a disability to \$15,000/month. For many highly compensated executives, this limit is inadequate to meet financial needs during a loss of income. With this understanding in mind, Novant Health negotiated a supplemental tier of income replacement called IDI, which increases the monthly limit to \$30,000.

Key IDI Provisions

The IDI policy provides:

- Own occupation definition of disability, which takes into consideration your substantial and material duties.
- Portability, meaning you can keep your policy at the same premium discount if you leave Novant Health.
- Supplemental Long-Term Disability coverage with no premium deducted from your pay.
- Annual benefit increases, up to the plan maximum, which track with compensation increases.

COMPARISON OF GROUP LONG-TERM DISABILITY PLAN VERSUS INDIVIDUAL DISABILITY INSURANCE PLAN PROVISIONS		
FEATURE/BENEFIT	GLTD PLAN	IDI PLAN
Benefit Percentage	60%	75%, less GLTD benefit
Insurable Income	Salary only	Salary and incentive compensation
Maximum Benefit	\$15,000/month	\$15,000/month
Elimination Period	90 days	90 days
Benefit Period	Social Security normal retirement age	To age 67 or later per schedule
Premium Paid By	Employer	Employer
Taxable Benefit at Time of Claim	Yes	Yes
Definition of Disability	Own Occupation	Own Occupation
Own Occupation Definition Period	Full benefit period	Full benefit period
Portability	No	Yes

Executive Individual Disability Insurance (IDI) (continued)

Frequently Asked Questions

What happens if I fail to enroll?

Your disability benefits will be limited to the Group Long-Term Disability (GLTD) plan only, with no anticipated opportunity to secure coverage in the Individual Disability Insurance (IDI) plan in the future.

Do I have to pay for this IDI coverage?

No. IDI coverage is provided to you by Novant Health. There is no cost to you for this coverage.

What medical and financial underwriting is required?

The negotiated guaranteed standard issue IDI has no medical or financial requirements; only the criteria of being active at work.

What are the active at work criteria?

No missed time due to injury or sickness in the 90 days prior to your application date and no current limitations to work full-time.

Is there any impact to my benefit if I already have Individual Disability Insurance (IDI)?

The application requires disclosure of existing IDI which may adjust your eligible benefit under the plan.

Novant Health Retirement Plus Plan

Your benefits package at Novant Health includes the Novant Health Retirement Plus Plan. Fidelity Investments provides recordkeeping services for the Plan. You can contact them for assistance or with any questions.

Newly hired team members will be automatically enrolled in the Plan at a pre-tax contribution rate of 4% of their gross pay.* Your contributions will be directed to a State Street Target Retirement Fund** based on your date of birth, unless you direct otherwise. You have 90 days in which to opt out of the Plan by contacting Fidelity and changing your deferral rate to 0%. If you opt out within 90 days, any contributions, adjusted for market gains and losses while deferred to the Plan, can be requested to be returned to you.

You can access your account at Fidelity by logging on to Fidelity NetBenefits® at netbenefits.com/NovantHealth. Click **Login** at the top of the screen to establish your username and password.

Screenshots are for illustrative purposes.

If you already have other accounts with Fidelity, you can use your existing log in information to access your Novant Health account. After logging in, choose **Accounts & Benefits** from the ribbon at the top and select **Manage Contributions**. Select your Plan and change your deferral rate to 0% if you do not wish to participate in the Plan.

You can also contact the Fidelity Retirement Service Center at **800-343-0860**. Service Representatives are available from 8:30 a.m. to midnight ET Monday through Friday, except for New York Stock Exchange holidays excluding Good Friday.

While you are not required to participate in the Plan, we hope you will choose to remain enrolled and take an active role in your retirement planning.

Screenshots are for illustrative purposes.

* To make a contribution election that is different than the automatic enrollment contribution rate of 4% of your gross pay, contribution rate changes must be entered into Fidelity NetBenefits. Contact the Fidelity Retirement Service Center at **800-343-0860** if you have questions or if you require additional information.

** Target Date Funds are an asset mix of stocks, bonds and other investments that automatically become more conservative as the fund approaches its target retirement date and beyond. Principal invested is not guaranteed.

Here are some features of the Retirement Plus Plan:

Contributions: You can contribute 1% to 60% of your salary on a pre-tax and/or Roth basis to the Plan in 0.1% increments.

Novant Health contributes to your retirement through a dollar-for-dollar match of the first 6% you contribute to the Tax Deferred Savings Plan of Novant Health each pay period. Newly eligible team members will be eligible for the matching contribution on their date of hire. The match is contributed to the Savings and Supplemental Retirement Plan of Novant Health. We encourage you to contact Fidelity and consider increasing your contribution rate to 6% to take full advantage of the matching contribution.

Executives can also make contributions to a 457(b) plan on a pre-tax basis and to a 401(a) plan on an after-tax basis. After-tax contributions to the 401(a) plan by Highly Compensated Employees are limited to 5% of eligible compensation.

Vesting: When you are "vested" in your savings, it effectively means the money is yours to keep. You are always 100% vested in your contributions to the Plan. The matching contribution is vested after three years of service. You earn one year of vesting service for each calendar year in which you are paid for at least 1,000 hours.

Auto Increase Program: An optional program that automatically increases your contribution rate by 1 to 3% on an annual basis. You choose the amount and the date of the increase and can opt out at any time.

Investment Options: The Plan offers a full range of investment options to help you reach your retirement savings goals.

Fidelity BrokerageLink: BrokerageLink® includes investments beyond those in your Plan's lineup. You should compare investments and share classes that are available in your Plan's lineup with those available through BrokerageLink to determine the available investment and share class that is appropriate for your situation. The Plan fiduciary, Novant Health, neither evaluates nor monitors the investments available through BrokerageLink. It is your responsibility to ensure that the investments you select are suitable for your situation, including your goals, time horizon and risk tolerance. Reference the fact sheet and commission schedule for applicable fees and risks.

Online planning tools: Fidelity offers a wide variety of investment analysis and retirement planning tools on NetBenefits®. Click the **Plan & Learn** link at the top left of the NetBenefits homepage and click the **Manage your plan** link to access the Fidelity Financial Wellness Dashboard.

Before investing in any mutual funds, consider the investment objectives, risks, charges and expenses.

Contact Fidelity for a prospectus or, if available, a summary prospectus containing this information. Read it carefully. Investing involves risk, including risk of loss.

Other information about your Retirement Plus Plan:

Fidelity Workplace Financial Consultants: Fidelity offers one-on-one consultations if you have any questions about retirement planning or would like help determining which investment options may be right for you. You can contact the Fidelity Retirement Planning Team at **800-642-7131** or schedule an appointment online at fidelity.com/reserve. Select **Schedule a time to meet**, enter Novant Health Inc. as the employer name, select **Virtual Appointment** under Appointment Type, choose your preferred date and time, then click **register**.

For help choosing your investments or distribution options that are right for you, call **800-642-7131** to speak with a Fidelity representative.

Online Beneficiaries Service: It is important to designate your beneficiaries for the Plan. You can designate, review or update your beneficiary elections using Fidelity's secure online election tool located under the Profile link after logging into NetBenefits at netbenefits.com/NovantHealth. You can also contact the Fidelity Retirement Service Center for a beneficiary form at **800-343-0860**.

Loans and withdrawals: Although the Plan is intended for the future, you may borrow from your account for any purpose. Generally, the Plan allows you to borrow up to 50% of your vested account balance. The minimum loan amount is \$1,000 and a loan must not exceed \$50,000. You then pay the money back into your account, plus interest, through deductions from your paycheck. You may have a maximum of one loan at a time.

Withdrawals from the Plan are generally permitted when you terminate your employment, retire, reach age 59½ or become permanently disabled, as defined by your Plan.

Rollovers: You are permitted to roll over eligible pre-tax assets from another 401(k), 403(b) plan, 401(a) plan or governmental 457(b) retirement plan. The Plan also accepts rollovers from a conduit IRA. Be sure to consider all your available options and the applicable fees and features of each before moving your retirement assets.

We hope you will take full advantage of the Novant Health Retirement Plus Plan to help you reach your retirement saving goals. If you have any questions about the Plan or need assistance in performing a transaction, please call the Fidelity Retirement Service Center at **800-343-0860**.

Time off

Paid Time Off (PTO)

Team members at the Director level and above have unlimited PTO available.

Holiday schedule

Novant Health recognizes seven holidays (listed below). Team members will use accrued PTO for holidays, aligned with the Novant Health paid time off (PTO) policy.

- New Year's Day
- Martin Luther King Jr. Day
- Memorial Day
- Fourth of July
- Labor Day
- Thanksgiving Day
- Christmas Day

Paid leaves of absence

Novant Health provides benefits-eligible team members who have been employed for at least 12 months and have worked 1,250 hours during the prior 12 months with the following paid leaves of absence:

- **Parental leave** — Eligible team members are provided with four weeks of paid parental leave at 100% of base pay to allow for the care and well-being of their newborn or adopted child.
- **Caregiver leave** — Eligible team members may take one week of paid leave at 100% of base pay to care for a parent, spouse or child under age 18 experiencing a serious health condition as defined by the Family and Medical Leave Act.

Bereavement leave

When eligible team members experience the loss of a loved one, they may take paid leave as detailed below.*

40 hours	Current spouse and child (including pregnancy loss and stepchild)
24 hours	Father, mother, father-in-law, mother-in-law, brother or sister, step-parent, step-sibling, legal guardian, grandparent and grandchild
8 hours	Brother-in-law, sister-in-law, son-in-law and daughter-in law

* For any other time off to attend memorials, funerals, etc., team members may utilize their accrued PTO.

Military leave supplemental pay benefit

Novant Health is proud of team members who make personal and professional sacrifices to serve in the U.S. Armed Forces or National Guard. These team members may be activated to support national and international military operations, and when their military pay is less than the base hourly rate of pay at Novant Health, it can be a hardship on the team member and family. Therefore, Novant Health provides supplemental pay equal to the difference between compensation (excluding payments for room and board) for military duty and the team member's base hourly rate of pay. Military pay supplements will be reviewed annually.

Caregiver support program

Family First connects you with accredited care experts who take a comprehensive approach to solving all the challenges that arise when you need to find facilities, in-home care or resources for people in your care.

Connect with a personal care expert and manage your care plan using the Family First Digital Care Hub. Visit Family First online at care.family-first.com or call **800-214-5410**.

Adoption assistance

The Adoption Assistance Program provides up to \$3,500 per child (\$7,000 per year maximum) for adoption-related expenses.

Tuition reimbursement

Eligibility begins after 90 days of service. Full-time team members who are classified in Infor as working at least 30 hours per week can receive up to \$5,250 per calendar year total based on the approved Plan of Study. Part-time team members may receive up to \$2,625 per calendar year based on the approved Plan of Study.

Consumer discounts

Save on the brands, services and experiences you love with Team Member Advantages. Visit youdecide.com/Novant to learn more.

Out-of-area coverage

[Blue Standard Plan >>](#)

[Blue Premium Plan >>](#)

Blue Standard Plan coverage summary for out-of-area team members

The Blue Standard Plan for out-of-area team members offers varying degrees of coverage and cost to you. There are three tiers, or networks, of coverage. Out-of-area plans are available to team members who live beyond a 50-mile radius of a Novant Health hospital. If you qualify for these plans, they will be included in your medical plan options when you enroll.

Novant Health Network

Known as Tier 1 or Novant Health Network. Includes all Novant Health facilities, clinics and providers. Also includes some independent providers in our communities.

Blue Options PPO Network

Known as Tier 2 or Blue Options PPO network. This is the default in-network tier.

Out-of-Network

Known as Tier 3. Applies to facility charges at local non-domestic facilities.

Note: Novant Health completes network reviews on a regular basis. Team members are encouraged to confirm their provider and/or facility's current tier of coverage prior to seeking care.

Important notes about medical plan coverage

- **Deductibles:** Copays do not apply to the deductible. Your out-of-pocket expenses cross-accumulate, which means that money you pay toward your deductible in one tier also counts toward the deductible for other tiers.
- **Out-of-pocket maximums:** Your out-of-pocket maximum includes your deductible, coinsurance and copays. All out-of-pocket tiers cross-accumulate. Medical and pharmacy have separate out-of-pocket maximum limits.
- In-network and out-of-network coinsurance amounts are after the calendar year deductible, except where noted.
- Not all hospital-based providers at Novant Health facilities are in the Enhanced Network (Tier 1), so you will receive the Blue Options PPO network (Tier 2) benefit if the hospital-based provider is not in the Enhanced Network. Novant Health is seeking to expand the number of hospital-based providers in the Novant Health Network.

Blue Premium Plan coverage summary for out-of-area team members

The Blue Premium Plan for out-of-area team members offers varying degrees of coverage and cost to you. There are three tiers, or networks, of coverage. Out-of-area plans are available to team members who live beyond a 50-mile radius of a Novant Health hospital. If you qualify for these plans, they will be included in your medical plan options when you enroll.

Novant Health Network

Known as Tier 1 or Novant Health Network. Includes all Novant Health facilities, clinics and providers. Also includes some independent providers in our communities.

Blue Options PPO Network

Known as Tier 2 or Blue Options PPO network. This is the default in-network tier.

Out-of-Network

Known as Tier 3. Applies to facility charges at local non-domestic facilities.

Note: Novant Health completes network reviews on a regular basis. Team members are encouraged to confirm their provider and/or facility's current tier of coverage prior to seeking care.

Important notes about medical plan coverage

- **Deductibles:** Copays do not apply to the deductible. Your out-of-pocket expenses cross-accumulate, which means that money you pay toward your deductible in one tier also counts toward the deductible for other tiers.
- **Out-of-pocket maximums:** Your out-of-pocket maximum includes your deductible, coinsurance and copays. All out-of-pocket tiers cross-accumulate. Medical and pharmacy have separate out-of-pocket maximum limits.
- In-network and out-of-network coinsurance amounts are after the calendar year deductible, except where noted.
- Not all hospital-based providers at Novant Health facilities are in the Enhanced Network (Tier 1), so you will receive the Blue Options PPO network (Tier 2) benefit if the hospital-based provider is not in the Enhanced Network. Novant Health is seeking to expand the number of hospital-based providers in the Novant Health Network.

Note: For more information on these and other services and costs, visit the [Benefits page](#) of I-Connect.

Health Reimbursement Account (HRA) for out-of-area team members

Team members who participate in well-being activities are eligible to earn incentives from Novant Health as contributions to the Novant Health Premier Plan, Blue Standard or Premium Plan Health Reimbursement Account (HRA). Any fixed funds awarded in 2026 that are not used by the end of the year will not roll over. Any funds earned or prefunded prior to Jan. 1, 2026 will roll over. See Well-being programs on [page 31](#) for more information on HRA contributions.

PLAN FEATURES	NOVANT HEALTH PREMIER PLAN	BLUE STANDARD PLAN	BLUE PREMIUM PLAN
