

Liberty Formulary Exclusion + Alternative Medication List

Q3 2025

The excluded medications shown below are not covered on the Capital Rx Liberty formulary medication list. This list is not inclusive of all excluded medications. If you are currently using one of the excluded medications, please ask your provider to consider prescribing one of the following preferred alternatives. Your out-of-pocket costs may be less if your provider prescribes a preferred alternative included on your drug list. Additional alternatives may be available.

This list may have medications not covered under your prescription drug benefit plan. To view the complete listing of covered products, please visit www.cap-rx.com. If you have any questions about your prescription drug benefit, please call the number on your ID card.
