

**NOTICE FOR Novant Health, Inc. – SPONSORED WELLNESS PROGRAM**  
**(Blue High Deductible Health Plan & Medical Waivers)**  
**(Revisions Effective January 2026)**

The Novant Health Well-being Program is a voluntary wellness program offered under the Novant Health, Inc. Group Benefit Plan (the “Plan”) that is available to all team members who are either enrolled in the Blue HDHP medical plan option under the Plan or waive medical coverage but are benefits eligible, and certain spouses. The Novant Health well-being portal is administered by Navigate Wellbeing Solutions. Team members who enroll in the Blue HDHP medical plan or waive medical coverage but are benefits eligible will have access to the Novant Health well-being portal. The Novant Health well-being portal is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others. If you choose to participate in the wellness program you will have the option to complete a voluntary health assessment or “HA” that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (for example, cancer, diabetes, or heart disease). You are not required to complete the HA or other medical examinations.

However, team members and certain covered spouses who choose to participate in the wellness program will receive an incentive for completing activities, determined by Novant Health, for completing certain wellness program activities. The Novant Health well-being portal incentives are in the form of points that can be redeemed in the Navigate Live Amplified Rewards Mall. Although you are not required to complete the HA or complete activities, employees who are both enrolled in the Blue HDHP medical plan and complete the HA may receive the maximum incentives for all activities in the Novant Health well-being portal of up to \$250/year for covered team members. The maximum incentive for benefit-eligible team members who waive medical coverage for all activities in the Novant Health well-being portal is up to \$100/year.

Team members enrolled in the medical plan and those who waive medical coverage, who complete a HA in the Novant Health well-being portal, will receive 1500 and 1250 points, respectively.

***For all eligible participants and team members who waive medical coverage*** – If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. We will work with you (and, if you wish, your doctor) to find a wellness program with the same reward that is right for you in light of your health status.
